SUBJECT: *Sterilex Corporation
Ultra Kleen Solution 1 (EPA Reg. No. 63761-3)
Application for Label Amendment
Minor Label Changes to Directions For Use
This Submission is NOT Subject to PRIA fees*

Dear Ms. Noble:

On behalf Sterilex Corporation, I am submitting an Amendment application to make minor changes to the product label for **Ultra Kleen Solution 1 (EPA Reg. No. 63761-3)**.

The changes are as follows:

- 1) Add optional marketing language for Sterilex's trademarked reference statement for the technology used for the product;
- 2) Revise the Directions for Use under the "Recirculating Cooling Water Systems, Including Cooling Towers, Evaporative Condensers, Dairy Sweet Water Systems And Brewery Pasteurizers" subheading to indicate instructions for initial dosing conditions, routine dosing conditions and continuous dosing conditions, as well as indicate the addition of the Ultra-Kleen Solution 2 adjuvant is optional under certain conditions;
- 3) Revise the Directions for Use under the "Pulp and Paper Mills" subheading to indicate instructions for initial dosing conditions, routine dosing conditions and continuous dosing conditions, as well as indicate the addition of the Ultra-Kleen Solution 2 adjuvant is optional under certain conditions;
- 4) Revise the Directions for Use under the "Air Washers" subheading to indicate the addition of the Ultra-Kleen Solution 2 adjuvant is optional under certain conditions;
- 5) Revise the Directions for Use under the "Dye Machines" subheading to indicate the addition of the Ultra-Kleen Solution 2 adjuvant is optional under certain conditions;
- 6) Revise the Directions for Use under the "Water-Jet Looms" subheading to indicate the addition of the Ultra-Kleen Solution 2 adjuvant is optional under certain conditions;

- 7) Revise the subheading of "Tanks, Piping And Industrial Equipment Used To Store And Convey Industrial Process Water Or Aqueous Mixtures" to read "Tanks, Sumps, And Other Holding Vessels, Piping And Industrial Equipment Used To Store And Convey Industrial Or Commercial Process Water Or Aqueous Mixtures";
- 8) Revise the Directions for Use under the "Tanks, Sumps, And Other Holding Vessels, Piping And Industrial Equipment Used To Store And Convey Industrial Or Commercial Process Water Or Aqueous Mixtures" subheading to indicate instructions for badly fouled systems dosing conditions and subsequent dosing conditions, as well as indicate the addition of the Ultra-Kleen Solution 2 adjuvant is optional under certain conditions;
- 9) Revise the Directions for Use under the "Deionized Water Supply Systems Not Used In Food Processing, For Human Drinking Water Or Dental Lines" subheading to indicate instructions for badly fouled systems dosing conditions and subsequent dosing conditions, as well as indicate the addition of the Ultra-Kleen Solution 2 adjuvant is optional under certain conditions;
- new? > 10) Add Directions for Use on the hard, non-porous surfaces of whirlpool bathtubs, jacuzzis, spas, pools, and footbaths when those systems are not in use or in-between uses;

- > 11) Add spas, pools and footbaths to "For Pre-Cleaning Of Whirlpool Bathtubs."

All of the changes to the label have been highlighted and marked.

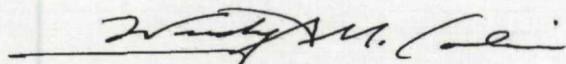

Please find enclosed the following documents in support of this label Amendment:

- 1) Application for Pesticide Amendment;;
- 2) Certification With Respect To Citation of Data;
- 3) Data Matrix (both Agency Internal Use and Public File copies);
- 4) One (1) copy of the proposed product Master label, with changes highlighted and marked; and,
- 5) Five (5) copies of the proposed product Master label.

If you have any questions or need any additional information please contact me either by telephone at 202-393-3903 ext. 11 or by e-mail at wmccombie@lewisharrison.com.

Thank you in advance for your assistance with this submission.

Sincerely,

Wendy A. McCombie
